

Som motsvar til uavhengighetserklæringen og den proklamerte staten Israel økte araberne sine fiendtligheter mot jødene og gikk til massiv krig mot den nyfødte israelske nasjonen. Israel vant denne krigen. Araberne mobiliserer igjen i 1956 under Nasser. FN går i mellom. I 1967 skremmer Nasser FN ut av Gaza. Nå skal Israel utryddes en gang for alltid. Egypt, Syria og Jordan er godt oppsatte med sovjetiske våpen. Irak, Marokko, Algerie, Tunis, Saudi-Arabia og Sudan deltar med tropper. Israel vinner også denne krigen. Strategien blir forandret. Fra nå av skal frigjøringsbevegelsen være et ledende element for å bære motivasjonen oppe for en nedslått arabisk hær. Som et resultat skrives, under Yassir Arafats ledelse, det mye omtalte PLO charteret:

## **THE PALESTINIAN NATIONAL CHARTER: Resolutions of the Palestine National Council**

**July 1-17, 1968**

### **Text of the Charter:**

**Article 1:** Palestine is the homeland of the Arab Palestinian people; it is an indivisible part of the Arab homeland, and the Palestinian people are an integral part of the Arab nation.

**Article 2:** Palestine, with the boundaries it had during the British Mandate, is an indivisible territorial unit.

**Article 3:** The Palestinian Arab people possess the legal right to their homeland and have the right to determine their destiny after achieving the liberation of their country in accordance with their wishes and entirely of their own accord and will.

**Article 4:** The Palestinian identity is a genuine, essential, and inherent characteristic; it is transmitted from parents to children. The Zionist occupation and the dispersal of the Palestinian Arab people, through the disasters which befell them, do not make them lose their Palestinian identity and their membership in the Palestinian community, nor do they negate them.

**Article 5:** The Palestinians are those Arab nationals who, until 1947, normally resided in Palestine regardless of whether they were evicted from it or have stayed there. Anyone born, after that date, of a Palestinian father – whether inside Palestine or outside it – is also a Palestinian.

**Article 6:** The Jews who had normally resided in Palestine until the beginning of the Zionist invasion will be considered Palestinians.

**Article 7:** That there is a Palestinian community and that it has material, spiritual, and historical connection with Palestine are indisputable facts. It is a national duty to bring up individual Palestinians in an Arab revolutionary manner. All means of information and education must be adopted in order to acquaint the Palestinian with his country in the most profound manner, both spiritual and material, that is possible. He must be prepared for the armed struggle and ready to sacrifice his wealth and his life in order to win back his homeland and bring about its liberation.

**Article 8:** The phase in their history, through which the Palestinian people are now living, is that of national (*watani*) struggle for the liberation of Palestine. Thus the conflicts among the Palestinian national forces are secondary, and should be ended for the sake of the basic conflict that exists between the forces of Zionism and of imperialism on the one hand, and the Palestinian Arab people on the other. On this basis the Palestinian masses, regardless of whether they are residing in the national homeland or in diaspora (*mahajir*) constitute – both their organizations and the individuals – one national front working for the retrieval of Palestine and its liberation through armed struggle.

**Article 9:** Armed struggle is the only way to liberate Palestine. This is the overall strategy, not merely a tactical phase. The Palestinian Arab people assert their absolute determination and firm resolution to continue their armed struggle and to work for an armed popular revolution for the liberation of their country and their return to it. They also assert their right to normal life in Palestine and to exercise their right to self-determination and sovereignty over it.

**Article 10:** Commando action constitutes the nucleus of the Palestinian popular liberation war. This requires its escalation, comprehensiveness, and the mobilization of all the Palestinian popular and educational efforts and their organization and involvement in the armed Palestinian revolution. It also requires the achieving of unity for the national (*watani*) struggle among the different groupings of the Palestinian people, and between the Palestinian people and the Arab masses, so as to secure the continuation of the revolution, its escalation, and victory.

**Article 11:** The Palestinians will have three mottoes: national (*wataniyya*) unity, national (*qawmiyya*) mobilization, and liberation.

**Article 12:** The Palestinian people believe in Arab unity. In order to contribute their share toward the attainment of that objective, however, they must, at the present stage of their struggle, safeguard their Palestinian identity and develop their consciousness of that identity, and oppose any plan that may dissolve or impair it.

**Article 13:** Arab unity and the liberation of Palestine are two complementary objectives, the attainment of either of which facilitates the attainment of the other. Thus, Arab unity leads to the liberation of Palestine, the liberation of Palestine leads to Arab unity; and work toward the realization of one objective proceeds side by side with work toward the realization of the other.

**Article 14:** The destiny of the Arab nation, and indeed Arab existence itself, depend upon the destiny of the Palestine cause. From this interdependence springs the Arab nation's pursuit of, and striving for, the liberation of Palestine. The people of Palestine play the role of the vanguard in the realization of this sacred (*qawmi*) goal.

**Article 15:** The liberation of Palestine, from an Arab viewpoint, is a national (*qawmi*) duty and it attempts to repel the Zionist and imperialist aggression against the Arab homeland, and aims at the elimination of Zionism in Palestine. Absolute responsibility for this falls upon the Arab nation – peoples and governments – with the Arab people of Palestine in the vanguard. Accordingly, the Arab nation must mobilize all its military, human, moral, and spiritual capabilities to participate actively with the Palestinian people in the liberation of Palestine. It must, particularly in the phase of the armed Palestinian revolution, offer and furnish the Palestinian people with all possible help, and material and human support, and make available to them the means and opportunities that will enable them to continue to carry out their leading role in the armed revolution, until they liberate their homeland.

**Article 16:** The liberation of Palestine, from a spiritual point of view, will provide the Holy Land with an atmosphere of safety and tranquility, which in turn will safeguard the country's religious sanctuaries and guarantee freedom of worship and of visit to all, without discrimination of race, color, language, or religion. Accordingly, the people of Palestine look to all spiritual forces in the world for support.

**Article 17:** The liberation of Palestine, from a human point of view, will restore to the Palestinian individual his dignity, pride, and freedom. Accordingly the Palestinian Arab people look forward to the support of all those who believe in the dignity of man and his freedom in the world.

**Article 18:** The liberation of Palestine, from an international point of view, is a defensive action necessitated by the demands of self-defense. Accordingly the Palestinian people, desirous as they are of the friendship of all people, look to freedom-loving, and peace-loving states for support in order to restore their legitimate rights in Palestine, to re-establish peace and security in the country, and to enable its people to exercise national sovereignty and freedom.

**Article 19:** The partition of Palestine in 1947 and the establishment of the state of Israel are entirely illegal, regardless of the passage of time, because they were contrary to the will of the Palestinian people and to their natural right in their homeland, and inconsistent with the principles embodied in the Charter of the United Nations, particularly the right to self-determination.

**Article 20:** The Balfour Declaration, the Mandate for Palestine, and everything that has been based upon them, are deemed null and void. Claims of historical or religious ties of Jews with Palestine are incompatible with the facts of history and the true conception of what constitutes statehood. Judaism, being a religion, is not an independent nationality. Nor do Jews constitute a single nation with an identity of its own; they are citizens of the states to which they belong.

**Article 21:** The Arab Palestinian people, expressing themselves by the armed Palestinian revolution, reject all solutions which are substitutes for the total liberation of Palestine and reject all proposals aiming at the liquidation of the Palestinian problem, or its internationalization.

**Article 22:** Zionism is a political movement organically associated with international imperialism and antagonistic to all action for liberation and to progressive movements in the world. It is racist and fanatic in its nature, aggressive, expansionist, and colonial in its aims, and fascist in its methods. Israel is the instrument of the Zionist movement, and geographical base for world imperialism placed strategically in the midst of the Arab homeland to combat the hopes of the Arab nation for liberation, unity, and progress. Israel is a constant source of threat vis-a-vis peace in the Middle East and the whole world. Since the liberation of Palestine will destroy the Zionist and imperialist presence and will contribute to the establishment of peace in the Middle East, the Palestinian people look for the support of all the progressive and peaceful forces and urge them all, irrespective of their affiliations and beliefs, to offer the Palestinian people all aid and support in their just struggle for the liberation of their homeland.

**Article 23:** The demand of security and peace, as well as the demand of right and justice, require all states to consider Zionism an illegitimate movement, to outlaw its existence, and to ban its operations, in order that friendly relations among peoples may be preserved, and the loyalty of citizens to their respective homelands safeguarded.

**Article 24:** The Palestinian people believe in the principles of justice, freedom, sovereignty, self-determination, human dignity, and in the right of all peoples to exercise them.

**Article 25:** For the realization of the goals of this Charter and its principles, the Palestine Liberation Organization will perform its role in the liberation of Palestine in accordance with the Constitution of this Organization.

**Article 26:** The Palestine Liberation Organization, representative of the Palestinian revolutionary forces, is responsible for the Palestinian Arab people's movement in its struggle – to retrieve its homeland, liberate and return to it and exercise the right to self-determination in it – in all military, political, and financial fields and also for whatever may be required by the Palestine case on the inter-Arab and international levels.

**Article 27:** The Palestine Liberation Organization shall cooperate with all Arab states, each according to its potentialities; and will adopt a neutral policy among them in the light of the requirements of the war of liberation; and on this basis it shall not interfere in the internal affairs of any Arab state.

**Article 28:** The Palestinian Arab people assert the genuineness and independence of their national (*wataniyya*) revolution and reject all forms of intervention, trusteeship, and subordination.

**Article 29:** The Palestinian people possess the fundamental and genuine legal right to liberate and retrieve their homeland. The Palestinian people determine their attitude toward all states and forces on the basis of the stands they adopt vis-à-vis to the Palestinian revolution to fulfill the aims of the Palestinian people.

**Article 30:** Fighters and carriers of arms in the war of liberation are the nucleus of the popular army which will be the protective force for the gains of the Palestinian Arab people.

**Article 31:** The Organization shall have a flag, an oath of allegiance, and an anthem. All this shall be decided upon in accordance with a special regulation.

**Article 32:** Regulations, which shall be known as the Constitution of the Palestinian Liberation Organization, shall be annexed to this Charter. It will lay down the manner in which the Organization, and its organs and institutions, shall be constituted; the respective competence of each; and the requirements of its obligation under the Charter.

**Article 33:** This Charter shall not be amended save by [vote of] a majority of two-thirds of the total membership of the National Congress of the Palestine Liberation Organization [taken] at a special session convened for that purpose.

Fremheving av frigjøringsbevegelsens strategi, som var en Sovjetisk ide` med flere paralleller andre steder i verden, slo kontra mot PLO under Black September oppgjøret i Jordan i 1970-71, hvor tusenvis av palestinere mistet livet. Som en konsekvens ble PLO fordrevet til Libanon. Sovjet fortsatte å forsyne Syria og Egypt med våpen. En ny arabisk mobilisering resulterte i Yom Kippurkrigen i 1973. En vanskelig krig som Israel også vant. Egypt var i kne og gikk til fredsforhandlinger. Fredsavtale med Israel ble signert i 1979. Den egyptiske presidenten, Anwar Sadat, ble skutt i 1981.

Egyptys feighet kunne ikke aksepteres av det muslimske brorskap og et nytt charter ble utformet. Ayatollah Khomeini har nå løftet den religiøse profilen over hele den muslimske verden. Nå er den kommunistiske frigjørings-ideologien fra PLO charteret skiftet ut med en religiøs bærekraft. Hamas charteret er tydelig inspirert:

## **The Covenant of the Islamic Resistance Movement**

18 August 1988

### **In The Name Of The Most Merciful Allah**

"Ye are the best nation that hath been raised up unto mankind: ye command that which is just, and ye forbid that which is unjust, and ye believe in Allah. And if they who have received the scriptures had believed, it had surely been the better for them: there are believers among them, but the greater part of them are transgressors. They shall not hurt you, unless with a slight hurt; and if they fight against you, they shall turn their backs to you, and they shall not be helped. They are smitten with vileness wheresoever they are found; unless they obtain security by entering into a treaty with Allah, and a treaty with men; and they draw on themselves indignation from Allah, and they are afflicted with poverty. This they suffer, because they disbelieved the signs of Allah, and slew the prophets unjustly; this, because they were rebellious, and transgressed." (Al-Imran - verses 109-111).

Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it" (The Martyr, Imam Hassan al-Banna, of blessed memory).

"The Islamic world is on fire. Each of us should pour some water, no matter how little, to extinguish whatever one can without waiting for the others." (Sheikh Amjad al-Zahawi, of blessed memory).

### **In The Name Of The Most Merciful Allah**

#### **Introduction**

Praise be unto Allah, to whom we resort for help, and whose forgiveness, guidance and support we seek; Allah bless the Prophet and grant him salvation, his companions and supporters, and to those who carried out his message and adopted his laws - everlasting prayers and salvation as long as the earth and heaven will last. Hereafter:

O People:

Out of the midst of troubles and the sea of suffering, out of the palpitations of faithful hearts and cleansed arms; out of the sense of duty, and in response to Allah's command, the call has gone out rallying people together and making them follow the ways of Allah, leading them to have determined will in order to fulfill their role in life, to overcome all obstacles, and surmount the difficulties on the way. Constant preparation has continued and so has the readiness to sacrifice life and all that is precious for the sake of Allah.

Thus it was that the nucleus (of the movement) was formed and started to pave its way through the tempestuous sea of hopes and expectations, of wishes and yearnings, of troubles and obstacles, of pain and challenges, both inside and outside.

When the idea was ripe, the seed grew and the plant struck root in the soil of reality, away from passing emotions, and hateful haste. The Islamic Resistance Movement emerged to carry out its role through striving for the sake of its Creator, its arms intertwined with those of all the fighters for the liberation of Palestine. The spirits of its fighters meet with the spirits of all the fighters who have sacrificed their lives on the soil of Palestine, ever since it was conquered by the companions of the Prophet, Allah bless him and grant him salvation, and until this day.

This Covenant of the Islamic Resistance Movement (HAMAS), clarifies its picture, reveals its identity, outlines its stand, explains its aims, speaks about its hopes, and calls for its support, adoption and joining its ranks. Our struggle against the Jews is very great and very serious. It needs all sincere efforts. It is a step that inevitably should be followed by other steps. The Movement is but one squadron that should be supported by more and more squadrons from this vast Arab and Islamic world, until the enemy is vanquished and Allah's victory is realised.

Thus we see them coming on the horizon "and you shall learn about it hereafter" "Allah hath written, Verily I will prevail, and my apostles: for Allah is strong and mighty." (The Dispute - verse 21).

"Say to them, This is my way: I invite you to Allah, by an evident demonstration; both I and he who followeth me; and, praise be unto Allah! I am not an idolator." (Joseph - verse 107).

**Hamis (means) *strength and bravery* -(according to) Al-Mua'jam al-Wasit: c1.**

## Definition of the Movement

### **Ideological Starting-Points**

#### **Article One:**

The Islamic Resistance Movement: The Movement's programme is Islam. From it, it draws its ideas, ways of thinking and understanding of the universe, life and man. It resorts to it for judgement in all its conduct, and it is inspired by it for guidance of its steps.

#### **The Islamic Resistance Movement's Relation With the Moslem Brotherhood Group:**

#### **Article Two:**

The Islamic Resistance Movement is one of the wings of Moslem Brotherhood in Palestine. Moslem Brotherhood Movement is a universal organization which constitutes the largest Islamic movement in modern times. It is characterised by its deep understanding, accurate comprehension and its complete embrace of all Islamic concepts of all aspects of life, culture, creed, politics, economics, education, society, justice and judgement, the spreading of Islam, education, art, information, science of the occult and conversion to Islam.

### **Structure and Formation**

#### **Article Three:**

The basic structure of the Islamic Resistance Movement consists of Moslems who have given their allegiance to Allah whom they truly worship, - "I have created the jinn and humans only for the purpose of worshipping" - who know their duty towards themselves, their families and country. In all that, they fear Allah and raise the banner of Jihad in the face of the oppressors, so that they would rid the land and the people of their uncleanness, vileness and evils.

"But we will oppose truth to vanity, and it shall confound the same; and behold, it shall vanish away." (Prophets - verse 18).

#### **Article Four:**

The Islamic Resistance Movement welcomes every Moslem who embraces its faith, ideology, follows

its programme, keeps its secrets, and wants to belong to its ranks and carry out the duty. Allah will certainly reward such one.

### **Time and Place Extent of the Islamic Resistance Movement:**

#### **Article Five:**

Time extent of the Islamic Resistance Movement: By adopting Islam as its way of life, the Movement goes back to the time of the birth of the Islamic message, of the righteous ancestor, for Allah is its target, the Prophet is its example and the Koran is its constitution. Its extent in place is anywhere that there are Moslems who embrace Islam as their way of life everywhere in the globe. This being so, it extends to the depth of the earth and reaches out to the heaven.

"Dost thou not see how Allah putteth forth a parable; representing a good word, as a good tree, whose root is firmly fixed in the earth, and whose branches reach unto heaven; which bringeth forth its fruit in all seasons, by the will of its Lord? Allah propoundeth parables unto men, that they may be instructed." (Abraham - verses 24-25).

### **Characteristics and Independence:**

#### **Article Six:**

The Islamic Resistance Movement is a distinguished Palestinian movement, whose allegiance is to Allah, and whose way of life is Islam. It strives to raise the banner of Allah over every inch of Palestine, for under the wing of Islam followers of all religions can coexist in security and safety where their lives, possessions and rights are concerned. In the absence of Islam, strife will be rife, oppression spreads, evil prevails and schisms and wars will break out.

How excellent was the Moslem poet, Mohamed Iqbal, when he wrote:

"If faith is lost, there is no security and there is no life for him who does not adhere to religion. He who accepts life without religion, has taken annihilation as his companion for life."

### **The Universality of the Islamic Resistance Movement:**

#### **Article Seven:**

As a result of the fact that those Moslems who adhere to the ways of the Islamic Resistance Movement spread all over the world, rally support for it and its stands, strive towards enhancing its struggle, the Movement is a universal one. It is well-equipped for that because of the clarity of its ideology, the nobility of its aim and the loftiness of its objectives.

On this basis, the Movement should be viewed and evaluated, and its role be recognised. He who denies its right, evades supporting it and turns a blind eye to facts, whether intentionally or unintentionally, would awaken to see that events have overtaken him and with no logic to justify his attitude. One should certainly learn from past examples.

The injustice of next-of-kin is harder to bear than the smite of the Indian sword.

"We have also sent down unto thee the book of the Koran with truth, confirming that scripture which was revealed before it; and preserving the same safe from corruption. Judge therefore between them according to that which Allah hath revealed; and follow not their

desires, by swerving from the truth which hath come unto thee. Unto every of you have we given a law, and an open path; and if Allah had pleased, he had surely made you one people; but he hath thought it fit to give you different laws, that he might try you in that which he hath given you respectively. Therefore strive to excel each other in good works; unto Allah shall ye all return, and then will he declare unto you that concerning which ye have disagreed." (The Table, verse 48).

The Islamic Resistance Movement is one of the links in the chain of the struggle against the Zionist invaders. It goes back to 1939, to the emergence of the martyr Izz al-Din al Kissam and his brethren the fighters, members of Moslem Brotherhood. It goes on to reach out and become one with another chain that includes the struggle of the Palestinians and Moslem Brotherhood in the 1948 war and the Jihad operations of the Moslem Brotherhood in 1968 and after.

Moreover, if the links have been distant from each other and if obstacles, placed by those who are the lackeys of Zionism in the way of the fighters obstructed the continuation of the struggle, the Islamic Resistance Movement aspires to the realisation of Allah's promise, no matter how long that should take. The Prophet, Allah bless him and grant him salvation, has said:

"The Day of Judgement will not come about until Moslems fight the Jews (killing the Jews), when the Jew will hide behind stones and trees. The stones and trees will say O Moslems, O Abdulla, there is a Jew behind me, come and kill him. Only the Gharkad tree, (evidently a certain kind of tree) would not do that because it is one of the trees of the Jews." (related by al-Bukhari and Moslem).

### **The Slogan of the Islamic Resistance Movement:**

#### **Article Eight:**

Allah is its target, the Prophet is its model, the Koran its constitution: Jihad is its path and death for the sake of Allah is the loftiest of its wishes.

### Objectives

Incentives and Objectives:

#### **Article Nine:**

The Islamic Resistance Movement found itself at a time when Islam has disappeared from life. Thus rules shook, concepts were upset, values changed and evil people took control, oppression and darkness prevailed, cowards became like tigers: homelands were usurped, people were scattered and were caused to wander all over the world, the state of justice disappeared and the state of falsehood replaced it. Nothing remained in its right place. Thus, when Islam is absent from the arena, everything changes. From this state of affairs the incentives are drawn.

As for the objectives: They are the fighting against the false, defeating it and vanquishing it so that justice could prevail, homelands be retrieved and from its mosques would the voice of the mu'azen emerge declaring the establishment of the state of Islam, so that people and things would return each to their right places and Allah is our helper.

"...and if Allah had not prevented men, the one by the other, verily the earth had been corrupted: but Allah is beneficent towards his creatures." (The Cow - verse 251).

## **Article Ten:**

As the Islamic Resistance Movement paves its way, it will back the oppressed and support the wronged with all its might. It will spare no effort to bring about justice and defeat injustice, in word and deed, in this place and everywhere it can reach and have influence therein.

## **Strategies and Methods**

### **Strategies of the Islamic Resistance Movement: Palestine Is Islamic waqf:**

## **Article Eleven:**

The Islamic Resistance Movement believes that the land of Palestine is an Islamic Waqf consecrated for future Moslem generations until Judgement Day. **It, or any part of it, should not be squandered: it, or any part of it, should not be given up.** Neither a single Arab country nor all Arab countries, neither any king or president, nor all the kings and presidents, neither any organization nor all of them, be they Palestinian or Arab, possess the right to do that. Palestine is an Islamic Waqf land consecrated for Moslem generations until Judgement Day. This being so, who could claim to have the right to represent Moslem generations till Judgement Day?

This is the law governing the land of Palestine in the Islamic Sharia (law) and the same goes for any land the Moslems have conquered by force, because during the times of (Islamic) conquests, the Moslems consecrated these lands to Moslem generations till the Day of Judgement.

It happened like this: When the leaders of the Islamic armies conquered Syria and Iraq, they sent to the Caliph of the Moslems, Umar bin-el-Khatib, asking for his advice concerning the conquered land - whether they should divide it among the soldiers, or leave it for its owners, or what? After consultations and discussions between the Caliph of the Moslems, Umar bin-el-Khatib and companions of the Prophet, Allah bless him and grant him salvation, it was decided that the land should be left with its owners who could benefit by its fruit. As for the real ownership of the land and the land itself, it should be consecrated for Moslem generations till Judgement Day. Those who are on the land, are there only to benefit from its fruit. This Waqf remains as long as earth and heaven remain. Any procedure in contradiction to Islamic Sharia, where Palestine is concerned, is null and void.

"Verily, this is a certain truth. Wherefore praise the name of thy Lord, the great Allah." (The Inevitable - verse 95).

### **Homeland and Nationalism from the Point of View of the Islamic Resistance Movement in Palestine:**

## **Article Twelve:**

Nationalism, from the point of view of the Islamic Resistance Movement, is part of the religious creed. Nothing in nationalism is more significant or deeper than in the case when an enemy should tread Moslem land. Resisting and quelling the enemy become the individual duty of every Moslem, male or female. A woman can go out to fight the enemy without her husband's permission, and so does the slave: without his master's permission.

Nothing of the sort is to be found in any other regime. This is an undisputed fact. If other nationalist movements are connected with materialistic, human or regional causes, nationalism of the Islamic Resistance Movement has all these elements as well as the more important elements that give it soul and life. It is connected to the source of spirit and the granter of life, hoisting in the sky of the

homeland the heavenly banner that joins earth and heaven with a strong bond.

If Moses comes and throws his staff, both witch and magic are annulled.

"Now is the right direction manifestly distinguished from deceit: whoever therefore shall deny Tagut, and believe in Allah, he shall surely take hold with a strong handle, which shall not be broken; Allah is he who heareth and seeth." (The Cow - Verse 256).

### **Peaceful Solutions, Initiatives and International Conferences:**

#### **Article Thirteen:**

Initiatives, and so-called peaceful solutions and international conferences, are in contradiction to the principles of the Islamic Resistance Movement. Abusing any part of Palestine is abuse directed against part of religion. Nationalism of the Islamic Resistance Movement is part of its religion. Its members have been fed on that. For the sake of hoisting the banner of Allah over their homeland they fight.

"Allah will be prominent, but most people do not know."

Now and then the call goes out for the convening of an international conference to look for ways of solving the (Palestinian) question. Some accept, others reject the idea, for this or other reason, with one stipulation or more for consent to convening the conference and participating in it. Knowing the parties constituting the conference, their past and present attitudes towards Moslem problems, the Islamic Resistance Movement does not consider these conferences capable of realising the demands, restoring the rights or doing justice to the oppressed. These conferences are only ways of setting the infidels in the land of the Moslems as arbitrators. When did the infidels do justice to the believers?

"But the Jews will not be pleased with thee, neither the Christians, until thou follow their religion; say, The direction of Allah is the true direction. And verily if thou follow their desires, after the knowledge which hath been given thee, thou shalt find no patron or protector against Allah." (The Cow - verse 120).

There is no solution for the Palestinian question except through Jihad. Initiatives, proposals and international conferences are all a waste of time and vain endeavors. The Palestinian people know better than to consent to having their future, rights and fate toyed with. As in said in the honourable Hadith:

"The people of Syria are Allah's lash in His land. He wreaks His vengeance through them against whomsoever He wishes among His slaves It is unthinkable that those who are double-faced among them should prosper over the faithful. They will certainly die out of grief and desperation."

### **The Three Circles:**

#### **Article Fourteen:**

The question of the liberation of Palestine is bound to three circles: the Palestinian circle, the Arab circle and the Islamic circle. Each of these circles has its role in the struggle against Zionism. Each has its duties, and it is a horrible mistake and a sign of deep ignorance to overlook any of these circles. Palestine is an Islamic land which has the first of the two kiblans (direction to which Moslems turn in praying), the third of the holy (Islamic) sanctuaries, and the point of departure for Mohamed's midnight journey to the seven heavens (i.e. Jerusalem).
